Regionalization Efforts	Regionalization refers to organizing the State of Missouri into regions, based upon the existing nine (9) troop areas of the Highway Patrol, with additional two (2) areas for the Kansas City and St. Louis metro locations. Within these eleven (11) regional areas, the existing local ("lead") Regional Planning Commissions (RPCs) will organize and facilitate regional committees that will help plan, assess and decide upon grant funding request priorities on a regional basis. The lead RPC will also be responsible for regional planning and handling local administration processing of future HS grant funding.		Zada Farris(P) Jay Bosch(S)	573.526.9250 573.526.9236	zada.farris@sema.dps.mo.gov jay.bosch@sema.dps.mo.gov
Urban Area Security Initiative (UASI)	UASI provides financial assistance to address the unique planning, equipment, training, and exercise needs of high risk urban areas, and to assist them in building an enhanced and sustainable capacity to prevent, respond to, and recover from threats or acts of terrorism. Allowable costs for the urban areas comport with the FY 05 SHSP, and funding is expended based on the Urban Area Homeand Security Strategies.		Dee Solindas	573.526.9148	dee.solindas@sema.dps.mo.gov
Buffer Zone Protection Program (BZPP)	BZPP is intended to significantly enhance the protection around Critical Infrastructure and Key Resource sites and deter threats or incidents of terrorism aimed at those facilities.		Brett Hendrix Dee Solindas (supervisor)	573.526.9188 573.526.9148	Brett.Hendrix@sema.dps.mo.gov dee.solindas@sema.dps.mo.gov

Law Enforcement Terrorism Prevention Program (LETPP)	LETPP will provide law enforcement communities with funds to support prevention activities. As approved by the Homeland Security Advisory committee (HSAC), funds may be used for planning, organization, training, exercises, and equipment. The focus of FY 05 LETPP funds is installation of LiveScan systems in cities and counties throughout Missouri and the support of the Missouri Information Analysis Center (MIAC).		Brian Ingram	573.526.9227	brian.ingram@sema.dps.mo.gov
Homeland Defense Equipment Reuse Program (HDER)	HDER provides responder agencies access to a substantial inventory of radiological equipment that is no longer required by the Federal government. The equipment is rehabilitated and provided at no cost to the recipient. Training and long-term support for maintenance and field checks are also available.		Brian Ingram	573.526.9227	brian.ingram@sema.dps.mo.gov
Commercial Equipment Direct Assistance Program (CEDAP)	Emergency responder agencies can acquire specialized commercial equipment through a direct transfer program administered by DHS's Office of Grants & Training. CEDAP transfers technologies directly to smaller jurisdictions and eligible metropolitan areas.		Brian Ingram	573.526.9227	brian.ingram@sema.dps.mo.gov
Citizen Corps Program (CCP)	This is DHS's grass-roots initiative to actively involve all citizens in homeland security through personal preparedness, training, and volunteer service.		Matthew Nutt	573.526.9223	matthew.nutt@sema.dps.mo.gov
Emergency Mgt. Performance Grants (EMPG)	EMPG funds will be used to support comprehensive emergency management at the state and local levels and to encourage the improvement of mitigation, preparedness, response, and recovery capabilities for all hazards.		Christy Knipp	573.526.9117	christy.knipp@sema.dps.mo.gov
Metropolitan Medical Response System (MMRS)	MMRS funds will support MMRS jurisdictions in further enhancement and sustainment of their integrated, systematic mass casualty incident preparedness to respond to mass casualty events during the first hours of a response, the time crucial to lifesaving and population protection, until significant external assistance can arrive.		Brett Hendrix	573.526.9188	brett.hendrix@sema.dps.mo.gov
Transit Security Grant Program	The TSGP strives to create a sustainable effort for the protection of regional transit systems from terrorism, especially IEDs and non-conventional threats that would cause major loss of life and severe disruption.		Jay Bosch	573.526.9236	jay.bosch@sema.dps.mo.gov

Dennise Schaben provides overall administrative support. She can be reached at 573-526-9229 or dennise.schaben@sema.dps.mo.gov
